The screenshot displays the IBM Cloud Object Storage console interface. The left sidebar contains navigation links: IBM Cloud, Cloud Object Storage, Storage instances, Cloud Object Storage-ju, Buckets, Integrations, Endpoints, Usage details, Service credentials, Connections, and Plan. The main content area is titled 'Access Management' and includes a sub-header 'Access Management' and a description: 'Invite team members to work with your data. Click on Invite Users below and give them right level of access by selecting appropriate role.' Below this, there is a 'Create a bucket' section with a description: 'Learn about resiliency, location and storage class while creating a new bucket.' The bottom of the screen shows a Windows taskbar with various application icons, a search bar, and system status information including temperature (28°C), weather (Haze), and time (10:37, 18-11-2022).
